

Association for Manufacturing Excellence Media Alert

Aug. 25, 2015

- What:** Association for Manufacturing Excellence (AME) 2015 International Conference
- When:** October 18 – 23, 2015
- Where:** Duke Energy Convention Center – 525 Elm St., Cincinnati, Ohio
- Details:** The AME 2015 International Conference celebrates the theme “Sustained Success Begins with You.” This is the world’s largest lean manufacturing conference offering attendees the prospect of discovering new inspiration and direction within their industry, as well as the opportunity to learn directly from world-renowned lean leaders and thinkers.

This year’s conference features:

- Nine keynote presentations that will share knowledge and inspirational expertise. A few speakers include Lisa Bodell, Jeremy Bout and Libby Gill. Also, honorary Cincinnati conference chair John Ratzenberger, famous for his 1980 role as Cliff Clavin on the hit tv show “Cheers,” and now an advocate for the “Made in America” initiative.
- 54 practitioner presentations showcasing industry leaders who are articulate advocates for change.
- 40+ local best practice tours giving attendees the chance to see hands-on tools and skills. A few tours include MillerCoors, Messier-Bugatti USA and Bosch Group.
- 18 interactive special interest sessions led by continuous improvement specialists.
- 40+ pre- and post-conference workshops examining lean thinking to transform challenges in manufacturing.
- 60+ learning resource exhibits featuring the latest in lean thinking and continuous improvement tools.

Those interested in attending the AME 2015 International Conference can register online. Complete details about the conference and further registration information can be found on the [conference website](#). Follow news about the conference on Twitter using hashtag #AMECinci. Press passes are available.

About the Association for Manufacturing Excellence

The Association for Manufacturing Excellence (AME) is the premier not-for-profit organization dedicated to the journey of continuous improvement and enterprise excellence. AME’s membership is composed of a trusted network of volunteers who are committed to leveraging the practitioner-to-practitioner and company-to-company shared-learning experience. Through engaging workshops, plant tours, webinars, summits and industry-leading conferences, AME members are continually discovering and implementing new continuous improvement strategies and best practices. AME offers its members a multitude of valuable resources to help them stay abreast of current industry developments and improve the skills, competitiveness and overall success of their organizations. Join AME in leading the “Renaissance of Manufacturing in North America.” For more information, visit www.ame.org or email info@ame.org
